The commentary on Amos in this volume was written by Jeff Niehaus. For those doing in-depth work on the book, this one should be consulted. 3. Shalom M. Paul - Amos (Hermeneia, 1990). I can count on one hand the number of commentaries in the Hermeneia series that I find very helpful. This one is probably the only one I would enthusiastically recommend. It is geared toward a more scholarly audience, but it is packed with helpful insight into the meaning of Amos. Where to begin. You might not think it possible to write an almost 1000 page commentary on a book of the Bible that generally takes up less than 10 pages. You would be wrong. The introduction to the commentary by itself is 178 pages. This commentary is not for the faint of heart. The Book of Amos is the third of the Twelve Minor Prophets in the Tanakh/Old Testament and the second in the Greek Septuagint tradition. Amos, an older contemporary of Hosea and Isaiah, was active c. 750 BC during the reign of Jeroboam II (788–747 BC), making Amos the first prophetic book of the Bible to be written. Amos lived in the kingdom of Judah but preached in the northern kingdom of Israel. His major themes of social justice, God's omnipotence, and divine judgment became staples of prophecy. The book of Amos gives us some information about Amos. This is much more information than other *prophets give about themselves. Jeremiah (1:1) also tells us about his home and his work. Amos 1:2 to 2:16 is a series of messages that are against the nations. First, he gives judgements against these nations. He writes about the terrible things that they have done. Then he says something to his own people who live in Israel and Judah. God will bring his judgement on them too. Verse 2 gives the main idea of the book of Amos. God is like a lion. He announces, by Amos, that he wants to cause death to his enemies.
