Dictionary Of Biblical Theology

Xavier Leon-Dufour

Lion DuFour's Dictionary of Biblical Theology is written for Catholics who want to better understand the Bible. Seventy distinguished scholars and eighteen specialized translators have collaborated to produce this classic in Catholic biblical studies. The Dictionary presents the key theological concepts of the Bible in a way helpful to both the scholar and average reader. Though multivolume dictionaries of biblical theology abound, there is no single-volume resource from a decidedly evangelical perspective. The Evangelical Dictionary of Biblical Theology fills that gap with admirable distinction. Most multivolume resources, moreover, require a knowledge of the biblical languages. The EDBT is different. Though its contributors base their research on the Greek and Hebrew texts, they present their findings in a language that everyone can understand.
