My Heart My Mother looks at many different aspects of Egyptian religion from the role of Hathor-Sekhmet, the serpent eye goddess, in the cult of Osiris, to the reliefs in the temple at Abydos, and more general discussions of temple life, ancestor ritual, death, rebirth and regeneration. My Heart My Mother. Specifications. Publisher. Northgate Publishers. Book Format. Paperback. Explores the pivotal place of the fiery serpent-eye goddess, Hathor-Sekhmet, in the mysteries of Osiris, the Egyptian god of the dead. This book shows Seti I's temple at Abydos to be an image of heaven, built to correspond with the cosmic 'maps' of living and dying depicted on the remarkable Nut ceilings in Theban royal tombs. Ancient Egypt: Death and the Afterlife. About Nesyamun, an Egyptian mummy and Egyptian objects. Scarab beetle amulets were very special as they were a symbol of rebirth and regeneration. They were usually placed over the heart to protect the heart during the 'weighing of the heart' ceremony, where the god Anubis checks whether or not an individual had led a good life. Other popular amulets included the wedjat, or the 'Eye of Horus', which was thought to protect the mummy against bad spirits.
