The Life & Times Of A Modern Witch

Janet Farrar; Stewart Farrar

A Modern Witch book. Read 1,041 reviews from the world's largest community for readers. Can you live 28 years without discovering you're a witch? Laure... Her Modern Witch series (3 published out of a planned 9) tends to focus on one witch in particular but all are within the context of a richly interconnected community. The Witchlight Trilogy (2 published of a plan 3) deals with the journeys of two witches and their mentors they are set within the same community and are a branch between books 2 and 3 of the Modern Witch series. That said, most of the time I was just happily reading along, and enjoying being in such a nice world, with thoroughly nice, if not perfect, people. (Okay, Nat might be perfect, but hey, no absence of perfect characters is perfect, right?)
