Description. The best of the classic Jazz Chants (R), along with an exciting collection of new chants. show more.

What is a Jazz Chant? Jazz Chants are the rhythmic expression of standard American English. By setting our natural language to rhythm and/or music, Carolyn Graham created the concept of Jazz Chants as a powerful language teaching technique. She developed the technique of jazz chanting during her 25 years of teaching ESL (English as a second or foreign language) in the American Language Institute of New York University. She has also taught at Harvard University and has conducted workshops in the NYU School of Education, Columbia Teachers College in New York and Tokyo, and elsewhere throughout t
