This book, first published in Warsaw in 1925, after Ansky's death, offers both the sweep of history and an intimate portrait of an era of unfathomable evil, a holocaust before the Holocaust. George Cohen Copyright © American Library Association. All rights reserved. As it is, the work is more a memoir than a skillfully edited summation. Some ongoing illustration of relative geographic location of the sites referred to might interest some, illustrative material of the areas before the war might also have been nice. One always must consider, as the work of a single figure, if some liberties may have been taken in regards to his role or the local events (whether in moderation or hyperbole).
