Even the more modern princesses such as Tiana from Princess and the Frog and Rapunzel from Unfortunately most of the criticism of Disney's gender problem only That being said, there is more to Disney's representation of men then what we see at first glance.
The Frog Prince. One evening a young princess went out to take a walk in the forest. She had her favourite toy, a golden ball. The princess looked into the pond, but it was very deep. She began to cry, and said: "If I could only get my ball again, I would give everything that I have in the world." While she was speaking, a frog put its head out of the water, and said, "Princess, why do you cry so sadly?" 'Oh, my God,' she said, 'My golden ball fell into the pond.' I. Write the answer. Read.
