Despite the Last Emperor’s Confucian education, he became Westernized. His English tutor, Sir Reginald Johnston, arrived in his court in 1919. He taught the spoiled young man subjects such as political science, and translations of the four great books of Confucianism in English. Johnston had a profound effect on Pu Yi. Apart from his nanny, the English tutor was the only person who could tame him. Consequently, the eunuchs came to rely on him to calm Pu Yi when he fell into one of his tantrums. The last emperor thus spoke Chinglish or a mixture of Mandarin and English. He couldn’t converse in Tutor to the Dragon Emperor: The Life of Sir Reginald Fleming Johnston by Raymond Lamont-Brown. A Scottish tutor named Reginald Johnston (Peter O'Toole) comes out to instruct him in the ways of Europe, and the youth (played in manhood by John Lone) becomes an anglophile, dreaming of “escaping” to Cambridge. Johnston advises him to escape instead into marriage, and he takes an empress (Joan Chen) and a concubine. In 1924, he is thrown out of the Forbidden City, and moves with his retinue back to his native Manchuria, then controlled by the Japanese. Everything involving the life of Pu Yi was a waste. Everything except one thing: the notion that a single human life could have infinite value. In its own way, the Dragon Throne argued that, making an emperor into a god in order to ennoble his subjects.
