Invitation To Midrash: The Workings Of Rabbinic Bible Interpretation A Teaching Book

Jacob Neusner

contempt' about the divine punishment of the 24 Genesis Rabbah 1:1 Jacob Neusner, Invitation to Midrash, The Workings of Rabbinic Bible Interpretation.
Rabbinic Judaism produced many different texts, ranging from the Mishnah and Tosefta to Midrashic texts and the two Talmuds. Rabbinic Judaism continued to flourish in the Middle Ages in the diaspora. Today it represents “normative” Judaism, the Jewish religious expression of a substantial portion of the worldwide Jewish community. Introductory Works. Presently, the most comprehensive academic introduction, including bibliographies, is Stemberger 1996. This book assembles the major concepts of rabbinic thought and offers a synthesis of rabbinic teachings based on multiple sources. Stemberger, Günter. Introduction to the Talmud and Midrash. 2d ed. Translated and edited by Markus Bockmuehl. Edinburgh: T&T Clark, 1996. E-mail Citation ».
