Throughout history, there have been many British women writers who have made significant contribution to the field. The list includes many familiar and great British female writers such as J. K. Rowling, Joan Collins, Jane Austen, Julie Andrews, Agatha Christie. Virginia Woolf. 25 January 1882, British. Novelist. J. K. Rowling. 31 July 1965, British. Author. Julie Andrews. 01 October 1935, British. Actress, Singer & Author. Joan Collins. 23 May 1933, British. Actress & Author. Agatha Christie. To their contemporaries, nineteenth-century women writers were women first, artists second. A woman novelist, unless she disguised herself with a male pseudonym, had to expect critics to focus on her femininity and rank her with the other women writers of her day, no matter how diverse their subjects or styles. The knowledge that their individual achievement would be subsumed under a relatively unfavorable group stereotype acted as a constant irritant to feminine novelists. Although women writers often believed that they did labor under innate handicaps of mind and body, they nonetheless felt pressured to prove both their reliability and their physical endurance.
