The Explanation Of Culture Change Models In Prehistory: Proceedings Of A Meeting Of The Research Seminar In Archaeology And Related Subjects Held At The University Of Sheffield

Research Seminar in Archaeology and Related Subjects
Colin Renfrew

Papers read at the Seminar are published in the Proceedings of the Seminar for Arabian Studies (ISSN 0308-8421) in time for the Seminar the following year. The Proceedings therefore contain new research on Arabia and reports of new discoveries in the Peninsula in a wide range of disciplines. Coverage: 1971-2015 (Vol. 1 - Vol. 45). Moving Wall: 3 years (What is the moving wall?) The "moving wall" represents the time period between the last issue available in JSTOR and the most recently published issue of a journal. Terms Related to the Moving Wall. Fixed walls: Journals with no new volumes being added to the archive. Absorbed: Journals that are combined with another title. Complete: Journals that are no longer published or that have been combined with another title. proceedings of a meeting of the Research Seminar in Archaeology and Related Subjects held at the University of Sheffield. by Research Seminar in Archaeology and Rela Published 1973 by Duckworth in [London] . Written in English. Subjects. Prehistoric peoples, Social change, Methodology, Congresses, Prehistoric Antiquities, Archaeology, Internet Archive Wishlist. The impetus to the development of fresh theoretical perspectives in archaeology has come almost entirely from outside the discipline and has brought archaeology into increasingly closer contact with wider debates in social theory. In the format of a single book we have neither attempted, nor do we claim, any degree of comprehensive coverage. Instead we have chosen to discuss a limited number of key areas for the reconstruction of archaeological theory. In the first chapter we discuss what theory in archaeology should be about, criticize the reduction of theory to methodology, and consider th
