Demonology Of The Early Christian World

Everett Ferguson

Historical account of demonology and evil in Jewish and Christian belief systems. Explore how the concepts of the Devil, demons and fallen angels evolved from early mentions in the Hebrew Bible (Old Testament) to stories from apocalyptic Judaism found in the Book of Enoch, Jubilees, and the Dead Sea Scrolls, to the emergence of Satan as Christ's arch nemesis in the Book of Revelation. Learn what the Bible does and does not say about topics such as: * the nature of evil * the concept of human suffering * the fall of the angels * demon possession and exorcism * the final cosmic battle between good and evil.
