Australian society values respect for the freedom and dignity of the individual, freedom of religion, commitment to the rule of law, parliamentary democracy, equality of men and women and a spirit of egalitarianism that embraces mutual respect, tolerance, fair play and compassion for those in need and pursuit of the public good. Australian society values equality of opportunity for individuals, regardless of their race, religion or ethnic background. The balance between work and life is deteriorating for four in ten people, according to a new study which also found Australians are donating $110 billion in free labour each year. Rob Breadan works from home, which means he can still look after his sick child Luke, 6.

Dr Denniss said the study suggested it was not enough to raise awareness among workers about the need for work/life balance. "It's time that employers and industry groups started to talk about how they are going to tackle this problem. It's time that governments took this problem a lot more seriously."
