Police Brutality: Opposing Viewpoints

Helen Cothran

Therefore, the different viewpoints defending the side of the police is just. All in all, there was a heavily negative reaction towards the police. There were some comments that were really thought provoking and absolutely put police brutality in a different light, that I never saw it in before. For example, one user said, “The police. The biggest gang on the planet, and what they do…” I gained further knowledge on the issue of police brutality by reading the comments. It opened my eyes to different points of views and outlooks on the issue. I will be reading the comment section more frequently from now on. Police Brutality book.
