Friends of the Family: The English Home and Its Guardians, 1850–1940

George K Behlmer

an ideal best condensed in the notion that an Englishman's home is his castle.
It shows the relative size of English as well as its Germanic roots. Photograph: Minna Sundberg. Facebook. Twitter. Pinterest. The left side of the tree maps out the Indo-Iranian languages. It shows the connections between Hindi and Urdu as well as some regional Indian languages such as Rajasthani and Gujarati. Photograph: Minna Sundberg. Facebook. Twitter. Pinterest. Topics. Languages.
