So begins The Reluctant Mystic: Autobiography of an Awakening, the story of an extraordinary spiritual experience—one moment in a massage therapy office that forever changes the trajectory of the author's life. All of a sudden, my body started to shake, and it felt like I left my body. My eyes were wide open, so I could see the room I was in, but I could also see through what I later found out was my “third eye,” which is an invisible energy center everyone has that sits in the middle of the forehead and is the seat of intuition. page 7. She sought out the advice of those around her and found supporters, including a rabbi, reverend and doctor, that would help push her in the right direction. She learned to understand her gifts more clearly and spend the next 20 years as a healer. Autobiography of an awakening by Cohen, Andrew, 1992, Moksha Foundation edition, in English.
