Australiaâ€™s convict origins have been variously written in and out of the national consciousness. While it was once a shameful admission to have a convict ancestor, today it is more likely to be seen as a badge of honour. Always male, he was regarded as a hardy type, adaptable, independent, sport loving and resolute. He was egalitarian and valued mateship highly above any respect to authority. How do contemporary visions of the diversity of Australian multiculturalism fit into this construction of the â€œAustralian way of lifeâ€? Do representations of the â€œAustralian way of lifeâ€ incorporate cultural difference? A wave of critique by Australian feminists, Aboriginal activists, and ethnic community leaders has challenged the dominant representation of what it means to be an Australian.
