The Man From Krypton: The Gospel According To Superman

John Wesley White

A Kryptonite meteor has fallen on Earth, spreading Kryptonite bits all over the world. Superman (depressed at being the last Kryptonian) is confined to the Fortress of Solitude while everyone else deals with the aftermath. Batman is getting irritated as Superman continually tries to persuade him to let him join in, to no avail. Batman is searching for meteor fragments beneath Gotham harbour when he comes upon a spaceship that has only been there for a week or two. While he examines it, a naked blonde
