Drawings, Paintings, Writings by Richard Kendall, Paul Cezanne and Paul Câezanne 1988, Book, Illustrated. Cézanne by himself: drawings, paintings, writings edited by. - Trove In writing one seeks to recapture such a moment or to approximate the. 1988 Cézanne by Himself: Drawings, Paintings, Writings, London: Macdonald Orbis.
This book conjures up an unexpected picture of Degas the artist as a man of wisdom and good humor while also including his best-known paintings and sketches, as well as many works that will be unfamiliar to most people. The book draws on a range of sources—the artist's own notebooks and letters, as well as anecdotes and memoirs from his intimate circle. "A New York Graphic Society book." Includes bibliographical references (page 328).
