Degrees without Freedom: Education, Masculinities, and Unemployment in North India

The study shows that educational initiatives are likely to caricature the protest masculinities Connell, 1987 and social role of educated...
Degrees Without Freedom? re-evaluates debates on education, modernity, and social change in contemporary development studies and anthropology. Education is widely imputed with the capacity to transform the prospects of the poor. But in the context of widespread unemployment in rural north India, it is better understood as a contradictory resource, providing marginalized youth with certain freedoms but also drawing them more tightly into systems of...
