My Weird School Daze!

Dan Gutman; Jim Paillot

The My Weird School books are a series of books based on a group of characters who attend Ella Mentry School, written by Dan Gutman. Although the main character in all the books is AJ, the books each have a separate story about a staff member or adult, whose name is usually the title of the book. The sets are broken up into My Weird School, My Weird School Daze, My Weirder School and My Weird School Specials. They begin in Miss Daisy’s class where we are introduced to all the characters and teachers and as the books develop the students graduate, go on field trips and get up to all sorts of adventures. In conclusion, the My Weird School Series is perfect for both boys and girls, beginner and fluent readers. Welcome to the wiki. We're a wiki on all things My Weird School!
