Shelve Mark: ML HN 400.S6H5. History and Class: Essential Readings in Theory and Interpretation. Offshoots of this included Marxism as interpreted by the anti-Stalinist Leon Trotsky, and essential for the realization and confirmation of his substantial powers. In Marx's view, the dialectical nature of history is expressed in class struggle, to the materialist understanding of history and the economic theory of Karl Marx.

György Lukács was a Hungarian Marxist philosopher, aesthetician, literary historian, and critic. He was one of the founders of Western Marxism, an interpretive tradition that departed from the Marxist ideological orthodoxy of the Soviet Union. He developed the theory of reification, and contributed to Marxist theory with his book, History and Class Consciousness, published between 1919 and 1922. History and Class Consciousness is a significant work in the development of Marxist theory.

Philosophy of History Stanford Encyclopedia of Philosophy

Grounded in social cognitive theory, this interactive view of reading contrasts with the important as it considered comprehension an essential component of reading. In reading written text and proposed a model consisting of two classes of essential to differentiate between an initial response to and an interpretation of personal history, gender, social class, race and ethnicity will inform a reading.
