Teaching Abilities

Teachers must have pedagogical skills. They must understand their students' needs, abilities and learning styles and the various ways of teaching the subject matter. For example, a high school chemistry teacher needs the ability to demonstrate and explain experiments. A first-grade teacher needs a mastery of the various methods of teaching reading. At all levels, teachers must be able to make difficult concepts understandable, both verbally and using props and other nonverbal methods.

Interpersonal Savvy

Strong people skills can help teachers rise above average to become Teaching skills that employers look for in candidates for employment, examples of each type of skill, and how to show employers you have them. Teachers have the power to change their students' lives for the better. The best of them inspire their students toward greatness and show them what they are capable of.

There are many positions that call for teaching skills: college professors, private tutors, camp counselors, park rangers, and CPR instructors all teach, to list just a few examples. But when most people say teacher, they mean someone who teaches children in primary or secondary school.

Teachers must also maintain current professional development standards by taking regular refresher courses and tests.

Types of Teaching Skills. Illustration by Melissa Ling. Professional Skills. 5 Feb 2018. 20 Essential Skills and Qualities Every Teacher Needs. Joanna Zambas. Teachers need creativity to keep students interested and engaged, especially children that are in primary school. You need to find different ways to keep the class interested and attention levels high. This could be through roleplay or other fun learning activities.

12. Self-Evaluation

Teaching comes quite naturally to some who are born leaders, yet others have to work hard to achieve great teacher status. Whichever category you fall into, if you want to help young students and make a lasting impression, these top skills and qualities can place you at a great advantage. Be sure to check out our teaching CV examples, too, as well as our guide on how to ace a teaching interview!
