to provide an accessible and high-quality forum for discussion of Australian international relations through debates, seminars, lectures, dialogues and conferences. As an independent think tank the Lowy Institute requires a broad funding base.

Hence, all of the Politburo’s 25 members outranked both Dai and Yang. The foreign policy and war aims of the Nazis have been the subject of debate among historians. The Nazis governed Germany between 1933 and 1945. There has been disagreement over whether Adolf Hitler aimed solely at European expansion and domination, or whether he planned for a long-term global empire. The argument for what these aims meant in literal terms originates from the 1960s by historians Gunter Moltman and Andreas Hillgruber who, in their respective works, claim that it was Hitler's dream to Kenneth S.
