The more perfect a person is on the outside, the more demons they have on the inside. When people criticise me, I know how to defend myself. But I’m powerless in the face of praise. We are never so vulnerable as when we love, and never so hopelessly unhappy as when we lose the object of our love. The first indication of stupidity is a complete lack of shame. People are more moral than they think, and much more amoral than they imagine. A large part of what is real within us is not comprehended; and that which is comprehended is not real. Every normal person is, in fact, only normal in part. So
