Man Eater

By Justin D'ath
Genre : Animals

Release Date : 2007-10-01

Man Eater by Justin D’Ath is Animals The leopard crouching in the bushes looked like something out of a nightmare. One ear was gone and so was one eye, and there was no fur on half its head. The mean glint in its remaining eye told me that it was the man-eater that had killed half the village . . .

The next exciting Sam Fox adventure is set in Africa! When the tour bus takes off without him, Sam uses his wits to escape an angry mother elephant, a king cobra, a hyena, baboons and a hungry crocodile. But can he survive an encounter with a ferocious, man-eating leopard? An action-packed adventure, Man Eater is the scariest Extreme Adventure yet!. Visit puffin.com.au/extreme for more.

**Star Horse**

By: Jane Smiley

Gee Whiz is a striking horse, and only part of that is because of his size. He is tall, but also graceful. He keeps his eye on things, not as if he's suspicious, but as if he's curious. Abby is curious, too, about just how little of the world she has seen compared to those around her. Her brother receives a draft notice to Vietnam, her best friends return from their boarding school, and the wise, lovable Brother Abner opens her eyes with tales of his many years spent traveling. Then, her beloved horses Jack and True Blue are both offered opportunities to broaden their horizons away from the ranch. Will she let them go, with hopes that she might one day do the same?

Man-eater is a colloquial term for an individual animal that preys on humans as a pattern of hunting behavior. This does not include the scavenging of corpses, a single attack born of opportunity or desperate hunger, or the incidental eating of a human that the animal has killed in self-defense. However, all three cases (especially the last two) may habituate an animal to eating human flesh or to attacking humans, and may foster the development of man-eating behavior.
