How to Write an Effective Music Bio: The Musician’s Guide. By Leticia Trandafir. Tools. 29. 06. 17. Writing an artist bio is one of the hardest things to do as a musician. It’s hard enough to write let alone write about yourself! The music bio should not seem like a series of record reviews or lists. Mentioning recorded work can be helpful in understanding an artist, but it’s just one component to use judiciously. Stay away from comparisons to other artists treat yourself as a unique artist. Avoid passive sentences. Use the active voice where the subject of your sentence performs the verb. For example Making Music book. Read 3 reviews from the world's largest community for readers. Good discussions on song writing by Paul Simon and Paul McCartney. A lot of the stuff on synths and recording is probably dated, I'm not sure. Didn't read all of it. flag Like see review. Oct 24, 2011 Chris rated it really liked it. Shelves: music, reference. This is a great book but its nearly 30 years old. can anyone recommend something as good that's more recent? flag Like see review. Using music writing software also makes it super easy to share your sheet music. This is especially convenient if you plan to have other musicians play the parts (great for orchestral music). And if you or another party displays your music in a book, magazine, online, or elsewhere, you’re owed royalties. The Best Music Writing Software on the Market. The best thing about Notion 6 is its superb library of instrument samples. The creators definitely took their time recording and sampling, including performances by the London Symphony Orchestra, the Wooten brothers, and many others. One downside, however, is the price. It weighs in at about $150, which is more than the other programs on this list.
