The Psychology of Quality of Life: Hedonic Well-Be...
Positive psychology coaching, like life coaching, uses the science of well-being and research-based interventions to increase life satisfaction... If you’ve ever asked yourself how positive psychology and life coaching differ, you’re definitely not alone. Brief definitions don’t distinguish between these two very different approaches towards well-being. What is even more surprising than their marked differences is how powerful positive psychology and life coaching are when used together.
