I heard a bird sing - A Cottage by the Sea Today I heard a bird sing. Its voice carried notes. Of both struggle and strain. It sang its best. As it woke again. Today I heard a bird sing. Hungry mouths in the I heard a bird sing In the dark of December A magical thing And . 1 day ago . I hear them quote it as if the point of the passage was the ability to find in life, and if we slow down and listen, we can hear the birds sing.
Why do birds sing? Birds declare their territory by singing. The male bird stakes out a bit of land or sky and sings to let other birds know to keep out. They also attract mates by singing. Once they have this bit of land, they let the females know where they are by singing.

The caged bird sings with fearful trill of the things unknown but longed for still and is tune is heard on the distant hill for the caged bird sings of freedom. The free bird thinks of another breeze an the trade winds soft through the sighing trees and the fat worms waiting on a dawn-bright lawn and he names the sky his own. I heard a bird sing in the dark of December. A magical thing. And sweet to remember. "We are nearer to Spring than we were in September," I heard a bird sing in the dark of December. From Welcome Christmas! A Garland of Poems (Viking Press, 1955). This poem is now in the public domain. Oliver Herford (1863–1935) was an American poet, humorist, and illustrator. Born in England, his family moved back to the U.S. when he was twelve. He returned to Europe to study art in London and Paris, then moved to New York in his late twenties.
