### City of Cannibals

*by Ricki Thompson*  
**Historical Fiction/Henry VIII/Self-Discovery**  
*Front Street/Boyd's Mills Press, 2010, 269 pp., $18.95*  

Sixteenth-century Tudor England could be a confusing place for anyone. But for sheltered Dell, 16, on the run from her abusive father and their cave home outside London, it is especially daunting. Wary of the city whose inhabitants supposedly eat each other alive, Dell encounters kindly folks, develops her own puppetry skills, and learns about her mother’s time in the city. Her fellow Londoners’ loyalties are torn between the Pope and King Henry VIII, who, desperate for a male heir, tosses wife aside, causing a rift between church and state. As novice Ronaldo awakens Dell’s own sexual desire, she realizes that while the city’s citizens may not literally be cannibals, many are misled by their passions and a king intent on perverting the law.

The pitch-perfect period slang and descriptions of bawdy citizens, carelessly spilled chamber pots, poverty, disease, and despair portray a city awash in vulgarity.

### Cinderella Cleaners: Prep Cool

*by Maya Gold*  
**Humor/Mystery**  
*Scholastic, 2010, 192 pp., $5.99*  
ISBN: 978-0-545-12960-2

Diana and the gang at Cinderella Cleaners are back! Diana has always been curious about how the other half learns and, as a public school student, she is fascinated with the idea of attending an upscale private academy. When a private-school uniform is dropped off at Cinderella Cleaners, she has the opportunity to find out what it would be like.

Diana sneaks into Foreman Academy to find the person who stole her best friend’s cell phone. The pressure is on—will Diana be able to convince everyone at Foreman Academy that she is a prep-school student? Will she be able to pass the pop quizzes? Will she be able to handle the mean girls who seem to be out to get her? Will she get her best friend’s cell phone back?

This story is a lively, first-person account of Diana’s adventures and is a welcome addition to the Cinderella Cleaners series.

### Compromised

*by Heidi Ayarbe*  
**Realistic Fiction/Homelessness/Runaways**  
*Harper Teen, 2010, 452 pp., $16.99*  

Maya has spent most of her life on the run. Her father is a con man, and when his schemes go wrong (and they always do), Maya uses what she knows about science to fix them. Then, her father ends up in prison, and Maya is sent into foster care. As things get steadily worse for Maya, she learns that she may have an aunt who might be willing to give her a home. She is not sure the aunt exists but feels that, given her current situation, she should try to find her.

Maya is joined by two unexpected allies on her journey from Reno to Boise. She discovers that the life of a runaway is much more dangerous than she thought. Those scientific rules that she has previously relied on to get her out of difficult situations don’t really apply to her (and her friends’) struggle to survive.

Delcroix Academy: The Candidates
by Inara Scott
Mystery/Fantasy

Dancia isn't the top student, the best athlete, or the most talented artist. She doesn't mind that her drab clothing and unpopularity make her invisible, because the alternative could be dangerous. Dancia has powers she doesn't know how to handle. When she sees someone in trouble—car crashes, ... happening to save them, and suddenly, they happen. Letting people into her life, she fears, will only make matters worse.

When Dancia accepts a scholarship to the prestigious Delcroix Academy, she fears she won't be able to maintain her low profile for long. Will her new teachers find out about her gift? Can she risk making friends and keep her powers at bay? Teen readers will enjoy uncovering the mysteries behind Delcroix Academy in Inara Scott's The Candidates. Though Delcroix is fictional, Dancia's struggles to find truth, identity, and friendship inside its gates are engaging and real.

### Hex Hall

*by Rachel Hawkins*

*Supernatural/Growing Up*

*Hyperion Books, 2010, 336 pp., $16.99*

*ISBN: 978-1-4231-2130-5*

*Hex Hall* is a witty supernatural comedy. Sophie Mercer discovered she was a witch at age 13. Three years later, she tries to help a friend by casting a love spell that completely misfires; as punishment, she is sent to Hecate (Hex) Hall. Hex Hall is boarding school for problem Prodigums (witches, warlocks, shape shifters, vampires, etc.). By the end of Sophie's first day at Hex Hall, she has made three powerful (and beautiful) enemies, developed a hopeless crush on a popular girl’s boyfriend, and discovered that there are such things as ghosts. To top off her first day, she discovers that her new roommate is not only the most hated person on campus, she is also the only vampire on campus.

When someone starts attacking students on campus, the only suspect is Sophie's roommate. Sophie is determined to solve the mystery—in fact, all the mysteries—on campus.

### How I, Nicky Flynn, Finally Get a Life and a Dog

*by Art Corriveau*

*Growing up/Family*

*Amulet Books, 2010, 272 pp., $16.99*

*Nicky Flynn is almost 11 when his world capsizes. Mom and Dad divorce and sell his suburban home. Mom rents a one-bedroom dump apartment in a seedy section of Boston, and he starts sixth grade in a new school. He is sure his mom is lying about why his dad isn't seeing or calling him.*

Mom brings home Reggie, a guide dog who didn’t make the grade, and Nicky comes to rely on the German shepherd. Nicky lies, breaks into homes and cars, and commits other misdeeds in order to be with Reggie.

_Nicky is in many ways typical of kids who are thrust into situations they don’t understand. He just wants to fit in at school and can’t seem to get anything right. He eventually runs away from home, and his life on the lam is a page-turner for tweens who crave action and adventure._

*by Catherine Fisher*

*Fantasy/Adventure/Mystery*

*Dial, 2010, 448 pp., $17.99*

*ISBN: 978-0-8037-3396-1*

*Incarceron* is a prison . . . and it is alive. It began as an experiment, a model place where prisoners could be kept away from society but still flourish. The inmates live in cells surrounded by metal forests and rundown cities. Only one person, in all the centuries this prison has existed, has ever escaped.

Finn and Claudia are desperate to escape to the Outside. Most prisoners don’t believe Outside exists, but Finn believes it does. Claudia, the Warden’s daughter, knows it does because she lives Outside. She promises to help Finn escape if he will help her avoid an arranged marriage.

The first book in an exciting new series, *Incarceron* is full of unexpected twists and turns. The escape to Outside is more dangerous than Finn and Claudia could have ever imagined.

### Indigo Blues

*by Danielle Joseph*

*Identity/Romance*

*Flux, 2010, 240 pp., $9.95*

*ISBN: 978-0-7387-2059-3*

*Indigo is facing ultimate humiliation. Her ex, Adam Spade, has penned and sings a #1 song, Indigo Blues, for his band Blank Stare. Now the lyrics are everywhere, and the band is rocketing to stardom in New York City. Indigo, however, suffers unwelcome attention back home in her small town high school as she plays out her senior year.*

Indigo just wants to live her own life on her own terms: she wants her best friend Cat to offer support; her potential new boyfriend (and popular jock) Tripp to pursue her; her interfering, genius little brother Eli to come up with solutions to her problems; and nasty enemy Kristin to just go away. Indigo faces continual pressure when the whole world accuses her of cruelly breaking Adam’s heart, and she feels like everyone wants a piece of her. Told in alternating viewpoints by protagonists Indigo and Adam, the tale of romance on the rocks unfolds realistically as teenage love clashes with overnight musical celebrity.

POD by Stephen Wallenfels

Science Fiction/Apocalypse/Survival

Namelos, 2010, 212 pp., $19.95

ISBN: 978-1-60898-011-6

The discordant sound of screeching metal awakens 15-year-old Josh from his comfortable bed in rural Prosser, Washington. The insistent voice of her mother awakens 12-year-old Meg from her slumber in their duct-taped car parked in a hotel garage in bustling Los Angeles, California.

From those first jarring images and sounds, the world as the characters have known it begins to unravel. Josh and Meg are drawn into a world where the rules and expectations that have been their guiding principles are no longer sufficing. They must adapt to a new way of life, one where survival becomes the priority, and where the line between hero and villain becomes blurred.

As they navigate this new world, they begin to realize that humankind has unplumbed reserves of cruelty and inhumanity as well as compassion and courage. The challenges they face test their limits and push them to their breaking points. Will they be able to emerge from this crucible with their humanity intact or will they be consumed by the darkness that surrounds them?

Secret Saturdays by Torrey Maldonado

Realistic Fiction

Putnam Juvenile, 2010, 208 pp. $16.99

ISBN: 978-0-399-25158-0

Middle school best friends Sean and Justin excel at schoolwork, love writing raps, and live in the same housing project. But when Sean starts taking mysterious weekend trips, hanging with older kids, and bullying classmates, Justin worries.

Secret Saturdays is about friendship and about how to talk to someone you care about when they're pushing you away. The book plays with form, interspersing rap lyrics with prose. This should appeal to young rap fans, though it is sometimes difficult to "hear" a rap on the page. You might say it's sometimes difficult to apply, "How does that make you feel?

The book deals with some tough issues and how they might affect friendships and growth. If you are looking for a fun book to share with young people, this could be right for you. The book is engaging and relevant to young people today.

Westside Books, 2010, 216 pp., $16.95  
ISBN: 978-1-934813-33-1

Fourteen-year-old Jace Adams is used to moving, but when his mom and he move to Seattle, Washington, to live with his Aunt Bernice, he is miserable. Bernice makes him sleep in the shed out back, he makes some enemies at school, and he can’t surf. His only solace is his cello, but even that enjoyment is threatened as his new orchestra teacher banishes him to last chair. If Jace wants to move back to California, he’s going to need more than the $30–$40 he makes a couple of times each week as a street musician downtown.

Help comes from his new orchestra friends, Marcy and Elvis, who convince him to enter a prestigious competition for young African American and Latino/a musicians. Can Jace win the competition and move back to California? With some likeable characters, *Stringz* is an enjoyable read. Mild language usage.

Loss/Self-Discovery/Apocalypse  
ISBN: 978-0-385-73684-8

A barricade protects the citizens of Vista from the ever-shambling zombies yearning for human flesh. Mary lives in the lighthouse, watching for zombies who may wash ashore. When they do, she decapitates them. The barricade and Mary keep Vista safe from the zombies, also known as the Mudo or the Unconsecrated. When Gabrielle, Mary’s daughter, crosses the Barrier to hang out with her friends one night, her actions have consequences for the entire village.

In this companion novel to *The Forest of Hands and Teeth*, readers learn more about what happened to its heroine, Mary, once she arrived in Vista. After the truth is revealed about Gabry’s past, both women embark on separate journeys through the dangerous forest—Mary to find the truth about those she left behind, Gabry possibly to find her past and her future. The pages are filled with horror, beauty, and spiritual ruminations as the characters are tested constantly.

The Line
by Teri Hall
Science Fiction/Resistance to Government
ISBN: 978-0-8037-3466-1

The Line takes place sometime in the future where currency is a cred, pictures are called digims, computers are streamers, and the United States is a repressive regime that has closed its borders. Rachel is an adolescent who lives a quiet life on an isolated orchid farm behind the Line. Every time Rachel crosses the Line, she is reminded of the danger that exists on the other side of the Line, everything she believes to be true about Away, the Others, and her own family becomes questionable.

In this well-written novel, Hall weaves a critical perspective on news media, civil rights, and government with a compelling narrative about a young girl coming of age in an unequal society. The Line will keep readers on their toes as they witness characters navigate the ethical dilemmas inherent to standing up for what is right.

| The Art Institute of Chicago houses a collection of 68 miniature rooms; this collection is called the Thorne Rooms. Each room represents a different place and time; every detail is perfect, almost eerily so. There's something magical about the exquisite detail in each room, and Ruthie, a sixth grader on a class field trip to the Art Institute, is fascinated. Ruthie and her best friend, Jack, discover a key that allows them to shrink small enough to explore the rooms, but as they do, they come to realize that they are not the first—a previous explorer left something important behind, and Jack and Ruthie try to find a way to return it. This is a lively adventure that weaves together the excitement of being small, a magical setting, and history. Melanie Hundley Nashville, TN

| We fell in love with Greg Heffley in the first Diary of a Wimpy Kid book. Talk of the upcoming movie took the Wimpy Kid to a whole new level—Hollywood. Jeff Kinney takes us on a wild adventure through the making of the Diary of a Wimpy Kid movie. Kinney shows every aspect of how movies are made, from casting to the secrets of making it snow in July. He incorporates both the drawn cartoons and real photographs from the movie. The book gives background information on the actors who play our favorite characters, as well as a guided view into the process of turning the beloved book into a film. The Wimpy Kid Movie Diary is a wonderful companion to the books and the movie. One suggestion: make sure you read the book series before reading The Wimpy Kid Movie Diary because it gives some plot elements away. Kim Coyle Nashville, TN
| A groundbreaking collection of engaging stories, Trickster is the first graphic anthology of Native American trickster tales. Twenty-one Native American storytellers worked closely with artists to create authentic retellings of traditional stories. Each story represents the cultural experiences of the storyteller, and the accompanying graphics are rich and colorful. Since current research shows graphic novels engage students' critical thinking through the synthesis of graphics and text, this book is ideal for increasing achievement in reading. The book contains a list of contributors and their cultural backgrounds, so students could study different Native American cultures and use this book to enhance their understanding of those cultures. Teachers could use this book to study folklore, establishing patterns and themes students find intriguing. From an ego-driven coyote to the hijinks of wildcat and the hilarity of rabbit's Choctaw tale, Trickster brings together Native American folklore and graphic novels for the first time. **Alan Review**

Tack lives in a world where school is meant to control and stifle students, and he grows increasingly wary of the oppressive educational system. He shares his annoyance with only two people—his little sister, Suzie, and a mysterious boy named Umasi who doesn't go to school. Umasi tells Tack that there is another world on the other side of the border, where students or “targets” are not controlled, but instead are allowed to be creative and explore their own interests. Tack and Umasi become friends, and when the tentative peace is broken, they must rely on each other to survive in this new world.

In another short story, "Fat Man Walking," 17-year-old Tow-Kaye finds that marrying his pregnant Cinderella may not lead to happily-ever-after. The short stories "Girls Make You Weak" and "Scared to Death" reveal the love that may be found in the streets of Philadelphia and, by extension, in our own neighborhoods.

**You Don't Even Know Me**

This highly readable collection amplifies the voices of urban teens as they maneuver through their city streets, facing the unique challenges that teen males encounter in today's world. The 14 poems and 9 short stories remind readers that their assumptions about the young African American male are often wrong. Important issues such as gun violence are addressed in ways that do not glamorize or romanticize such events. The poems and stories, filled with realism and common sense, confront the fact that young men often feel no choice but to protect themselves in order to survive.

**Voices of Dragons**

In this alternate history novel, Kay Wyatt lives on the border of the human world and Dragon. The human world has cell phones, school, the Internet, and other typical teen worries. Dragon has, well, dragons. In Kay's world, dragons and humans have a peace treaty that keeps each on their own side of the border. Kay goes on a solo hike and is rescued from an accident by Artegal, a dragon, who wants to practice his human speech. The two become friends, and when the tentative peace is broken, they must rely on each other to survive in this new world.
