Faces In The Crowd: Players And Writers

Gary Giddins

Faces In The Crowd: Musicians, Writers, Actors, And Filmmakers. Gary Giddins. 3.9 out of 5 stars 3.Â As with any good collection of essays, subject matter and organization serve mainly to rein in the author's ideas, which, in Giddins's case, erupt almost uncontrollably from each sentence: a mention of Myrna Loy elicits discussion of Woody Van Dyke, the Production Code, the homecoming scene in The Best Years of Our Lives, Boris Karloff, Burt Reynolds and more.
