Pinpointing all of the most beautiful places in the world could take a lifetime, but we think that these 50 otherworldly landscapes and awe-inspiring natural wonders need to move to the very top of your travel list. Venezuela overflows with natural wonders, including the world’s highest waterfall—the 3,212-foot cascades of Angel Falls, located in the UNESCO-protected Canaima National Park. Canaima is by far the country’s most popular attraction, and the falls stretch an astounding 19 times higher than Niagara Falls.
