The Eastern Shore of Virginia consists of two counties (Accomack and Northampton) on the Atlantic coast of the Commonwealth of Virginia in the United States. The 70-mile-long (110 km) region is part of the Delmarva Peninsula and is separated from the rest of Virginia by the Chesapeake Bay. Its population was 45,553 as of 2010.[11]. The terrain is overall very flat, ranging from sea level to just 50 feet (15 m) above sea level.[13] Since the late 20th century, vineyards have been developed in both counties, and the Eastern Shore has received recognition as an American Viticultural Area (AVA). It is characterized by sandy and deep soil. The weather in the area has temperate summers and winters, significantly affected by the Chesapeake Bay and the Atlantic Ocean.
