The Association Game traces British football from the establishment of the getting a popular social habit in 
England, especially among working class,. Politics and the Peoples Game: Football and Political Culture in 
Twentieth Century Britain.
Football originated with kicking games played by people in ancient times. The modern version came from England. Football was not that popular kind of game until the mid-1900s. It started as a game involving kicking and handing, but late) this branched off into two separate sports: rugby and football, which is what the Americans call soccer. Around the late nineteenth century, English football began spreading over Europe. The United States was one of the last to implement football as a national sport. The Canadian Soccer Association was established in 1912 while the United States Soccer Federat
