"Once an immigrant has found better economic opportunities in a country, he or she will often try to have the family reuniting with him or her (CNN, 2013)." I was an innocent child; I was told that we were going on a family picnic with my mom and my grandma. It was a good thing that there is a lot of Familism in my family. Word Count: 1987. Approx Pages: 8. The passage told us the author, Maria Muniz, her own experiences as a new immigrant's homesick feeling of her original country and culture conflict in the new country. In her passage, she said: "Like all immigrants, my family and I have had to build a new life from almost nothing. Most of my memories made us strong." Maria moved to America when she was almost five years old with her family. Consider the experience of one family, originally from Honduras. In 1989, Lourdes Pineda was the single mother of a 5-year-old boy and a 7-year-old girl. She sold tortillas, plantains and used clothes door to door, but barely earned enough to feed her children, and feared not being able to send them to school past the sixth grade. And so immigrant families are being separated again, this time in reverse. Parents are being deported to Mexico and Central America, away from United-States-born children. About 200,000 parents of children who are American citizens were deported between 2010 and 2012, and 5,000 parentless children are now in foster care because their mother or father was detained or deported. Email It! Immigration debates flood news sources today, but the realities experienced by those who flee their homes in search of new opportunities even political asylum oftentimes end up shoved to the margins. Though mostly fiction, the following literary works offer up a valuable, varied glimpse into what life is like in America for immigrants and their families. Many of them emphasize familiar themes regarding balances between old and new, allegiances to family and the unique hardships faced once settled. Do not think this list comprehensive.
