A knight is a man granted an honorary title of knighthood by a monarch, bishop or other political or religious leader for service to the monarch or a Christian church, especially in a military capacity. Historically, in Europe, knighthood was conferred upon mounted warriors. During the High Middle Ages, knighthood was considered a class of lower nobility. By the Late Middle Ages, the rank had become associated with the ideals of chivalry, a code of conduct for the perfect courtly Christian warrior. The story of the remaining Crusades is organized around an account of the crusading orders, particularly the Knights Templar. Next comes a vivid mini-bio of one of the most remarkable characters of history, the mid-14th century French knight and commander Bertrand du Guesclin. Then the story of Sir John Fastolf, a major English commander of the 15th century (only very tenuously related to Shakespeare's Falstaff) nicely illustrates the transition between the world of knightly warfare and that of armies on the modern pattern.
