Tobias Smollett was a Scottish poet and author. He was best known for his picaresque novels, such as The Adventures of Roderick Random 1748 and The Adventures of Peregrine Pickle 1751, and The Adventures of Sir Launcelot Greaves 1760–1761. Tobias Smollett was a man of letters in the fullest sense. The criticism of Tobias Smollett's novels from 1748 to 1821 demonstrates that all of these works represent the experience. EIGHTEENTH-CENTURY FICTION 11:4 Roulston calls her last chapter Le langage imité des. Tobias Smollett
Author of The Expedition of Humphry Clinker This is the definitive scholarly edition of Tobias Smolletts first novel,
widely regarded as one of his two masterpieces, the other being The Expedition of Humphry.
The variety and extent of Tobias Smollett's interests, his phlegmatic Scottish nature, the grossness and bite of his satires, and the keenness of his caricatures distinguish the man and his works. The acts of shocking violence and brutality and the coarseness of language that Smollett incorporated into his novels set him off from the three other principal English novelists of the mid-18th century: Samuel Richardson, best known for his massive and powerful epistolary novel, Clarissa; Henry Fielding, the satirist and novelist of English manners most frequently remembered for Tom Jones; and Tobias Smollett: Tobias Smollett, Scottish satirical novelist, best known for his picaresque novels The Adventures of Roderick Random (1748) and The Adventures of Peregrine Pickle (1751) and his epistolary novel The Expedition of Humphry Clinker (1771). Smollett came of a family of lawyers and soldiers, Whig in politics and Presbyterian in religion. In 1727 or 1728 he entered Dumbarton grammar school, proceeding from there to the University of Glasgow and apprenticeship to William Stirling and John Gordon, surgeons of that city.
